The PPG Paints brand is available at more than 2,400 company-owned stores and independent dealers nationwide.

## PRODUCT SELECTION

Several key considerations need to be taken into account when selecting the appropriate paint products:

Areas where fast turnaround times are needed to ensure minimum disruption

Areas where zero or low-VOC and low-odor products are required

Exterior areas subject to the harsh effects of the weather like facades, entry ways and stairways.

High traffic areas that take physical abuse like hallways, stairways and entryways
